

# FULL LIFE CYCLE SERVICES FOR ENVIRONMENTAL TESTING, CERTIFICATION, & CALIBRATION

Ensuring Compliance, Safety, and Operational Efficiency

## COMMISSIONING, QUALIFICATION, & VALIDATION

*Ensuring Regulatory Compliance*

- Facility & Biocontainment Commissioning
- Annual Performance Verification
- Validation & SOP Development
- Project Management & Execution

## TESTING, CERTIFICATION, CALIBRATION & MAINTENANCE

*Ensuring Performance & Safety*

- Cleanroom, Controlled Environment, & HEPA Systems
- Instrumentation Calibration, Maintenance, Repair
- Water/Gas Testing & System Maintenance

## ENVIRONMENTAL MONITORING & INDUSTRIAL HYGIENE

*Ensuring Personnel Safety*

- Microbial Sampling & Analysis
- Airflow & Ventilation Testing
- Exposure Monitoring
- Facility Assessment & Project Management

## FACILITY & INSTRUMENTATION DECOMMISSIONING

*Ensuring Safe & Effective Shutdown*

- Decommissioning Project Management & Execution
- Decontamination
- Relocation
- Requalification

**400+** TECHS **SERVING** **50 STATES** **25 OFFICES** **25%** **25** **TOP BIOPHARM**

**300,000+** **TESTS & CERTIFICATIONS ANNUALLY** **100 OEMS** **1000+** **MODELS** **50+** NSF **ACCREDITED TECHS**

### PROVEN **QUALITY**

- 50-year legacy of performance
- ISO 9001 and 17025 accredited
- 19-person dedicated quality team
- In-house training institute
- Rigorous client feedback process

### UNMATCHED **CAPABILITIES**

- The nation's largest provider with over 700 employees
- Coast-to-coast coverage
- Two accredited microbiology testing labs
- Validated data collection & reporting platform
- Online client interface

### INDUSTRY LEADING **EXPERTISE**

- TSS experts involved in regulation development
- Expertise in FDA, GxP, EU, ISO, IEST, and ASHRAE requirements
- CETA and NSF-certified technicians available nationally
- Over 50 CQV experts, project managers, & technical writers
